Scheme for greenhouse gas emission allowance trading within the Community. EU Emissions Trading System (EU ETS) Directive

2001/0245(COD) - 18/07/2003 - Commission opinion on Parliament's position at 2nd reading

The Commission can accept the European Parliament's 17 amendment in full. It considers that the principal aims of the EC emissions trading scheme are safeguarded by the compromise package that these amendments constitute.
