European strategy for the rights of the child: against "dys"crimination of children and exclusion of "dys" people

2007/2630(RSP) - 26/09/2007

The House held a debate on Oral Question O-0062/2007 to the Commission on a European strategy for the rights of the child: against "dys"crimination of children and exclusion of "dys" people.

The debate was not followed by the adoption of a resolution.
