

Capital adequacy of investment firms and credit institutions: implementing powers conferred on the Commission

2006/0283(COD) - 14/11/2007 - Text adopted by Parliament, 1st reading/single reading

The European Parliament adopted a resolution drafted by Pervenche **BERES** (PES, FR) the proposal for a directive of the European Parliament and of the Council amending Directive 2006/49/EC on the capital adequacy of investment firms and credit institutions, as regards the implementing powers conferred on the Commission.

Parliament inserted a sunset clause, stating that by 31 December 2010 and, thereafter, at least every 3 years, the Commission shall review the provisions concerning its implementing powers and present a report to the European Parliament and to the Council on the functioning of those powers. The report shall examine, in particular, the need for the Commission to propose amendments to the Directive in order to ensure the appropriate scope of the implementing powers conferred on the Commission. The conclusion as to whether a modification is necessary or not shall be accompanied by a detailed statement of reasons. If necessary, the report shall be accompanied by a legislative proposal to modify the provisions conferring implementing powers on the Commission.
