

Two or three-wheel motor vehicles: installation of lighting and light-signalling devices (repeal. Directive 93/92/EEC). Codification

2007/0270(COD) - 05/12/2007 - Legislative proposal

PURPOSE: to undertake a codification of Council Directive 93/92/EEC of 29 October 1993 on the installation of lighting and lightsignalling devices on two or three-wheel motor vehicles.

PROPOSED ACT: Directive of the European Parliament and of the Council.

CONTENT: The purpose of this proposal is to undertake a codification of Council Directive 93/92/EEC of 29 October 1993 on the installation of lighting and lightsignalling devices on two or three-wheel motor vehicles. The new Directive will supersede the various acts incorporated in it. This proposal fully preserves the content of the acts being codified and hence does no more than bring them together with only such formal amendments as are required by the codification exercise itself.
