

# **Mobilisation of the European Globalisation Adjustment Fund: redundancies in mobile phone sector**

2007/2226(ACI) - 12/12/2007 - Text adopted by Parliament, single reading

The European Parliament adopted a resolution based on the report drafted by Reimer **BÖGE** (EPP-ED, DE) and approved the proposal for a decision of the European Parliament and of the Council on the mobilisation of the European Globalisation Adjustment Fund for a total amount of EUR 14 794 688 in 2007. The institutions involved are requested to make the necessary efforts to accelerate the mobilisation of the Fund.

It should be noted that this proposal follows the application of two cases submitted by Germany and Finland concerning redundancies in the mobile phone sector: BenQ in Germany and Perlos Oyj in Finland.
