

# **Framework for community action in the field of marine environmental policy. Marine Strategy Framework Directive**

2005/0211(COD) - 10/01/2008 - Commission opinion on Parliament's position at 2nd reading

Of the 117 amendments that were tabled at its plenary session of 11 December 2007, the European Parliament adopted 54.

Because these 54 amendments adopted by the Parliament were all part of a compromise package agreed with the Council, the Commission can accept all of them in full.
