2007/0293(COD) - 27/03/2008

The Committee on Legal Affairs adopted a report drafted by József **SZAJER** (EPP-ED, HU) and made some amendments to the proposal for a regulation of the European Parliament and of the Council adapting a number of instruments subject to the procedure referred to in Article 251 of the Treaty to Council Decision 1999/468/EC, as amended by Decision 2006/512/EC, with regard to the regulatory procedure with scrutiny – Part Two.

These amendments were suggested by other committees in their opinions, received in form of letters, as well as some amendments relating to the dossiers of the Committee on Environment, Public Health and Food Safety, as proposed in its Opinion. One amendment is of a technical character, aiming at clarification of a reference in one of the directives.
