

European Institute of Innovation and Technology (EIT)

2006/0197(COD) - 11/03/2008 - Text adopted by Parliament, 2nd reading

The European Parliament adopted a legislative resolution and approved the Council's common position for a regulation of the European Parliament and of the Council establishing the European Institute of Technology.

The recommendation for second reading (under the codecision procedure) had been tabled for consideration in plenary by Reino **PAASILINNA** (PES, FI) on behalf of the Committee on Industry, Research and Energy.
