Exploitation and marketing of natural mineral waters: adaptation to the regulatory procedure with scrutiny. Recast

2007/0292(COD) - 26/06/2008

The Committee on Legal Affairs adopted a report drafted by József **SZAJER** (EPP-ED, HU) and made two amendments to the proposal for a directive of the European Parliament and of the Council on the exploitation and marketing of natural mineral waters (recast).

The first amendment clarified the text on the urgency procedure. The second was of a purely technical nature.
