

2007 discharge: European Agency for Safety and Health at Work EU-OSHA

2008/2260(DEC) - 16/03/2009

The Committee on Budgetary Control adopted the report drawn up by Christofer FJELLNER (EPP-ED, SE) on discharge to be granted to the European Agency for Safety and Health at Work, calling on the European Parliament to grant the Executive Director of the Agency discharge in respect of the implementation of its budget for the financial year 2007.

Noting that the Agency's annual accounts for the financial year 2007 are reliable, and the underlying transactions are legal and regular, MEPs approve the closure of the Agency's accounts.

However, they make a number of recommendations as part of the decision on discharge. Other than the general recommendations appearing in the draft resolution on financial management and control of EU agencies (see [2008/2207\(INI\)](#)), MEPs do not make any specific observations. MEPs therefore congratulate the Agency on having significantly improved its financial management over the last two years and encourage it to continue in this way.
