Exploitation and marketing of natural mineral waters: adaptation to the regulatory procedure with scrutiny. Recast

2007/0292(COD) - 23/09/2008 - Text adopted by Parliament, 1st reading/single reading

The European Parliament adopted, by 628 votes to 14 with 22 abstentions, a legislative resolution and amended the proposal for a directive of the European Parliament and of the Council on the exploitation and marketing of natural mineral waters (recast). The report had been tabled for consideration in plenary by József **SZAJER** (EPP-ED, HU) on behalf of the Committee on Legal Affairs.

The amendments were the result of a compromise agreement with Council:

- Members clarified the use of the urgency procedure regarding provisions adopted on the restriction or suspension of trade in certain products;

- an amendment was made to the restrictions on transport of natural mineral waters.
