Value added tax (VAT): administrative cooperation to combat tax evasion connected with intra-Community transactions

2008/0059(CNS) - 04/11/2008

The Council reached agreement in principle on a **general approach** on proposals for a Directive and Regulation to strengthen the fight against VAT (value added tax) fraud.

The Directive and Regulation will be adopted at a forthcoming Council meeting, once the European Parliament has delivered its opinion.
