Goods resulting from the processing of agricultural products: trade arrangements. Codification

2008/0226(CNS) - 27/11/2008 - Legislative proposal

PURPOSE: to codify legislation on trade arrangements applicable to certain goods resulting from the processing of agricultural products.

PROPOSED ACT: Council Regulation.

CONTENT: the purpose of this proposal is to undertake a codification of Council Regulation (EC) No 3448/93 of 6 December 1993 laying down the trade arrangements applicable to certain goods resulting from the processing of agricultural products. The new Regulation will supersede the various acts incorporated in it. This proposal fully preserves the content of the acts being codified and hence does no more than bringing them together with only such formal amendments as are required by the codification exercise itself.
