Doha negotiations on market access for non-agricultural goods NAMA and services

2009/2514(RSP) - 02/02/2009

The House held a debate, following on the Commission statement, on the impact of the compromises reached in the Doha negotiations on the market access for non-agricultural goods (NAMA) and services at the end of July 2008.

The debate was not followed by the adoption of a resolution.
