

Resolution on the challenge of energy efficiency through information and communication technologies

2009/2512(RSP) - 02/02/2009

The House held a debate, which may be wound up with a resolution, on Oral Question [O-0115/2008](#) to the Commission on the challenge of energy efficiency through information and communication technologies.

A motion for a resolution closing this debate was due to be put to the vote on 4 February 2009.
