

# **Animal health conditions: movement and importation from third countries of equidae (repeal. Directive 90/426/EEC). Codification**

2008/0219(CNS) - 31/03/2009

The Committee on Legal Affairs adopted the report by Lidia Joanna GERINGER de OEDENBERG (PES, PL) and approved, under the consultation procedure, the proposal for a Council directive on animal health conditions governing the movement and importation from third countries of equidae (codified version). The Commission proposal was approved as adapted to the recommendations of the Consultative Working Party of the Legal Services of the European Parliament, the Council and the Commission.
