Statistics on pesticides

2006/0258(COD) - 24/04/2009 - Text adopted by Parliament, 2nd reading

The European Parliament adopted, under the second reading of the codecision procedure, the following amendment to the Council's common position: “This Regulation establishes a common framework for the systematic production of Community statistics on the placing on the market and use of those pesticides which are plant protection products, as defined in point (i) of point (a) of Article 2”.
