

Trans-European networks: granting of Community financial aid. Codification

2009/0037(COD) - 28/04/2009 - Legislative proposal

PURPOSE: to undertake a codification of Council Regulation (EC) No 2236/95 of 18 September 1995 laying down general rules for the granting of Community financial aid in the field of trans-European networks.

PROPOSED ACT: Regulation of the European Parliament and of the Council laying down general rules for the granting of Community financial aid in the field of trans-European networks.

CONTENT: the purpose of this proposal is to undertake a codification of Council Regulation (EC) No 2236/95 of 18 September 1995 laying down general rules for the granting of Community financial aid in the field of trans-European networks. The new Regulation will supersede the various acts incorporated in it. This proposal fully preserves the content of the acts being codified and hence does no more than bring them together with only such formal amendments as are required by the codification exercise itself.
