PURPOSE: to codify the procedure for prior examination and consultation in respect of certain laws, regulations and administrative provisions concerning transport proposed in Member States.

LEGISLATIVE ACT: Decision of the European Parliament and of the Council on a procedure for prior examination and consultation in respect of certain laws, regulations and administrative provisions concerning transport proposed in Member States (codified version).

CONTENT: the purpose of this Decision is to undertake a codification of Council Decision of 21 March 1962 instituting a procedure for prior examination and consultation in respect of certain laws, regulations and administrative provisions concerning transport proposed in Member States.
