

European Year of Volunteering 2011

2009/0072(CNS) - 03/06/2009 - Document attached to the procedure

This Commission Staff Working Paper proposes an ex ante evaluation of the future European Year of Volunteering to be implemented in 2011.

In particular, the document focuses on the main objectives to be reached and the challenges to be met in order to improve volunteering in Europe.

Moreover, it defines the target group of the future initiative as well as a plan of actions to be undertaken, including details of the financial implications for the Community budget.
