

EC/Switzerland and Liechtenstein Arrangement: participation of Switzerland and Liechtenstein in the activities of Frontex

2009/0073(NLE) - 04/06/2009 - Preparatory document

PURPOSE: to enable Switzerland and Liechtenstein to participate in the activities of FRONTEX.

PROPOSED ACT: Council Decision

BACKGROUND: [Council Regulation \(EC\) No 2007/2004](#) establishing a European Agency for the Management of Operational Cooperation at the External Borders of the Member States of the EU (FRONTEX) provides for countries associated with the Schengen acquis to participate in the Agency. The detailed rules of their participation must be specified in further arrangements to be concluded between the EC and those countries.

In October 2004, the EU, the EC and the Swiss Confederation signed the Agreement concerning the Swiss Confederation's association with the Schengen Agreement. On 1 March 2008 the Schengen Agreement entered into force. The Schengen Agreement provides for Liechtenstein's association with the Schengen acquis by means of a Protocol to the Schengen Agreement determining the rights and obligations of each of the contracting parties. The Protocol was signed on 28 February 2008 and is expected to be concluded in 2009.

For efficiency, and to avoid the need to conduct separate negotiations, Liechtenstein has been associated with the negotiations on its participation in the Agency before conclusion of the Protocol is completed, which were finalised on 19 January 2009 and led to the draft Arrangement.

The European Parliament will be formally consulted on conclusion of the Arrangement.

IMPACT ASSESSMENT: the proposal was not subject to an impact assessment.

CONTENT: this Arrangement establishes clear and legally binding rights and obligations to ensure effective participation by Switzerland and Liechtenstein in the European Agency for the Management of Operational Cooperation at the External Borders of the Member States of the EU. - recognition by Switzerland and Liechtenstein of the jurisdiction of the Court of Justice of the European Communities over the Agency;
