

Value added tax (VAT): rules of invoicing

2009/0009(CNS) - 09/06/2009

The Council agreed on a general approach, pending the European Parliament's opinion in first reading, with a view to incorporating technical amendments into directive 2006/112/EC on the common system of value added tax.

It instructed the Council's preparatory bodies to finalise its decision-making process once the Parliament has delivered its opinion.
