Resolution on external aspects of energy security

2009/2532(RSP) - 11/06/2009

The Council took note of the information provided by the Presidency and the Commission on events and developments in international relations that took place during the Czech Presidency, or are due to take place soon.

The briefing included, amongst other things, the fourth EU-Russia Partnership Council, relations with Ukraine, the issue of supply of Russian gas through Ukraine, the Southern Corridor countries summit, the Energy Community and the EU-OPEC energy dialogue.
