Marketing of seed potatoes

2009/0080(COD) - 25/06/2009 - Legislative proposal

PURPOSE: to codify legislation on the marketing of seed potatoes.

PROPOSED ACT: Council Directive.

CONTENT: the purpose of this proposal is to undertake a codification of Council Directive 2002/56/EC of 13 June 2002 on the marketing of seed potatoes. The new Directive will supersede the various acts incorporated in it. This proposal fully preserves the content of the acts being codified and hence does no more than bringing them together with only such formal amendments as are required by the codification exercise itself.
