

Pure-bred breeding animals of the bovine species. Codification

2006/0250(CNS) - 06/10/2009

The Committee on Legal Affairs adopted the report by Lidia Joanna GERINGER de OEDENBERG (S-D, PL) approving, under the consultation procedure, the proposal for a Council Directive on pure-bred breeding animals of the bovine species (codified version). The proposal was approved as adapted to the recommendations of the Consultative Working Party of the legal services of the European Parliament, the Council and the Commission.

Examination of the proposal has enabled the Consultative Working Party to conclude, without dissent, that the proposal is a straightforward codification of existing texts, without any change in their substance.
