Appliances burning gaseous fuels. Codification

2007/0225(COD) - 06/10/2009

The Committee on Legal Affairs adopted the report by Lidia Joanna GERINGER de OEDENBERG (S-D, PL) approving, under the first reading of codecision procedure, the proposal for a Directive of the European Parliament and of the Council relating to appliances burning gaseous fuels (codified version).

The text was approved as adapted to the recommendations of the Consultative Working Party of the legal services of the European Parliament, the Council and the Commission.

The examination of the proposal has enabled the Consultative Working Party to conclude, without dissent, that the proposal is a straightforward codification of existing texts, without any change in their substance.
