Defining a new digital agenda for Europe: from i2010 to digital.eu

2009/2225(INI) - 17/12/2009

The Council adopted conclusions on transforming the digital dividend into social benefits and economic growth. The conclusions highlight:

- the fact that radio spectrum is a scarce resource that needs to be used efficiently;
- the importance of the digital dividend in helping to provide high-speed broadband services in rural areas.

The Council invites Member States to contribute to the development of a common EU approach towards spectrum coordination issues with third countries
