2008 discharge: EU general budget, European Ombudsman

2009/2075(DEC) - 10/11/2009

PURPOSE: to present the report of the Court of Auditors on the implementation of the budget for the financial year 2008 (other institutions - European Ombudsman).

CONTENT: in its annual report for the financial year 2008, the Court focuses on the legality and regularity of the operating expenditure of the institutions. In 2008, the Court carried out audits in all the institutions on the following selected topics (procurement contracts, late payment penalties, payments on carried-over appropriations, transfers of acquired pension rights, etc…). In addition, the Court assessed the compliance of the supervisory and control systems applied by each institution with the requirements of the Financial Regulation.

In 2008, the Court notes that **all the institutions operated satisfactorily the supervisory and control systems** required by the Financial Regulation and the **transactions tested were free from material error of legality and regularity**.

Although the legality and regularity of the transactions underlying the accounts have been confirmed by the Court of Auditors, it does however draw attention to a number of findings which should be taken into consideration by the institutions concerned.

Nevertheless, in the specific case of the audit of the **European Ombudsman**, the audit did not give rise to any significant observations.
