

Energy-related products: indication of the consumption of energy. Recast

2008/0222(COD) - 28/04/2010

The Committee on Industry, Research and Energy adopted the recommendation for second reading contained in the report by Anni PODIMATA (S&D, EL) on the Council's position at first reading for adopting a directive of the European Parliament and of the Council on the indication by labelling and standard product information of the consumption of energy and other resources by energy-related products (recast).

The committee recommends that the European Parliament approve the Council's position.
