CMO: aid granted in the framework of the

German Alcohol Monopoly

2010/0183(COD) - 27/10/2010

The Committee on Agriculture and Rural Development adopted the report drafted by Paolo DE CASTRO (S&D, IT) on the proposal for a regulation of the European Parliament and of the Council amending Council Regulation (EC) No 1234/2007 (Single CMO Regulation) as regards the aid granted in the framework of the German Alcohol Monopoly.

The committee recommended that the European Parliament's position at first reading under the ordinary legislative procedure (formerly known as the codecision procedure) should be to amend the Commission proposal.

The proposal provides that before 30 June each year, Germany shall submit a report to the Commission on the functioning of the Monopoly and the aid granted in the framework thereof in the previous year. Members call on the Commission to forward that report to the European Parliament and the Council.
