

Medicinal products for human use: information on products subject to medical prescription

2008/0256(COD) - 06/12/2010

The Commission expressed its willingness to **modify its proposal concerning information to the general public on medicinal products for human use** which are subject to prescription in order to take into account the concerns of the Member States.

The incoming Hungarian Presidency announced its willingness to address this file as a matter of priority as soon as the modified proposal has been presented.
