

EC/Syria agreement: Euro-Mediterranean Association Agreement

2008/0248(NLE) - 12/04/2011

The Council has adopted a regulation and a decision providing for an embargo on exports to Syria of arms and equipment that could be used for internal repression, as well as a visa ban and an assets freeze.

The visa ban and the assets freeze targets 13 officials and associates of the Syrian regime who have been identified by the Council as being responsible for the violent repression against the civilian population in Syria.

The decision and the regulation, together with the list of persons subject to the restrictive measures, will be published in the Official Journal on 10 May 2011.
