EU/Seychelles Fisheries Partnership Agreement: fishing opportunities and financial contribution from 18 January 2011 to 17 January 2014. Protocol

2010/0335(NLE) - 23/06/2011 - Text adopted by Parliament, 1st reading/single reading

The European Parliament adopted a legislative resolution on the conclusion of the Protocol setting out the fishing opportunities and the financial contribution provided for by the Fisheries Partnership Agreement between the European Community and the Seychelles.

Parliament gives its consent to the conclusion of the Protocol.

In the interests of transparency, Parliament asks to be better informed about the work carried out by the Joint Committee. In this regard, it requests that the Commission send them the conclusions of the meetings and proceedings of the Joint Committee that is provided for in the Fisheries Partnership Agreement between the European Community and the Republic of Seychelles and the multiannual sectoral programme mentioned in the Protocol.

Parliament also calls for representatives of its Committee on Fisheries, acting as observers, to attend meetings of the Joint Committee. It also calls on the Commission to submit an implementation review of the Partnership Agreement to Parliament and the Council in the final year of application of the Protocol, before negotiations are opened on the agreement’s renewal.

Lastly, Parliament asks the Commission for a report on piracy in the Seychelles exclusive economic zone between 2006 and 2010 and its effect on Seychelles and EU fishing operations.
