Analysis of options to move beyond 20% greenhouse gas emission reductions and assessing the risk of carbon leakage

2011/2012(INI) - 05/07/2011

The European Parliament rejected in plenary the draft resolution on the analysis of options to move beyond 20% greenhouse gas emission reductions and assessing the risk of carbon leakage.

In the final vote, the amended resolution received 258 votes to 347, with 63 abstentions.
