

Mobilisation of the European Globalisation Adjustment Fund: redundancies in automotive industry in Germany

2011/2163(BUD) - 22/09/2011

The Committee on Budgets adopted the report drafted by Barbara MATERA (EPP, IT) on the proposal for a decision of the European Parliament and of the Council on mobilisation of the European Globalisation Adjustment Fund for an amount of **EUR 4 347 868** in commitment and payment appropriations in respect of redundancies in the automotive industry in Germany.

Members recall that the European Union has set up the appropriate legislative and budgetary instruments to provide additional support to workers who are suffering from the consequences of major structural changes in world trade patterns and to assist their reintegration into the labour market.

Given that Germany has requested assistance in respect of cases concerning 778 redundancies, all targeted for assistance, in five enterprises operating in the NACE Revision 2 Division 29 ('Manufacture of motor vehicles, trailers and semi-trailers') in the NUTS II regions of Arnsberg (DEA5) and Düsseldorf (DEA1) in Germany, and that this application fulfils the eligibility criteria set up by the EGF Regulation, Members request the institutions involved to make the necessary efforts to accelerate the mobilisation of the EGF for the requested amount.

Members recall the institutions' commitment to ensuring a smooth and rapid procedure for the adoption of the decisions on the mobilisation of the EGF, providing one-off, time-limited individual support geared to helping workers who have suffered redundancies as a result of globalisation and the financial and economic crisis.

They also recall that:

- assistance from the EGF must not replace actions which are the responsibility of companies by virtue of national law or collective agreements, nor measures restructuring companies or sectors;
- the information provided on the coordinated package of personalised services to be funded from the EGF includes information on the complementarity with actions funded by the Structural Funds.

Members welcome the fact that, following repeated requests from the Parliament, for the first time the 2011 budget shows payment appropriations of EUR 47 608 950 on the EGF budget line 04 05 01. This dedicated allocation will avoid transfers from other budget lines, as happened in the past, which could be detrimental to the achievement of the various policies objectives.

Lastly, they welcome the reinforcement of the EGF budget line 04.05.01 by EUR 50 million through Amending budget No 3/2011, which will be used to cover the amount needed for this application.
