Information on the implementation of measures envisaged in the European Union Programme on children's rights

2011/2721(RSP) - 26/10/2011

The House held a debate on Oral Questions O-000231/2011 and O-000273/2011 to the Commission on the implementation of measures envisaged in the European Union Programme on children's rights.

The debate was not followed by the adoption of a resolution.
