

Mobilisation of the European Globalisation Adjustment Fund: redundancies in construction of buildings in Ireland

2011/2252(BUD) - 16/11/2011 - Final act

PURPOSE: to mobilise the European Globalisation Adjustment Fund (EGF) in respect of redundancies in construction of buildings in Ireland.

LEGISLATIVE ACT: Decision 2011/772/EU of the European Parliament and of the Council of 16 November 2011 on the mobilisation of the European Globalisation Adjustment Fund in accordance with point 28 of the Interinstitutional Agreement of 17 May 2006 between the European Parliament, the Council and the Commission on budgetary discipline and sound financial management (application EGF /2010/019 IE/Construction 41 from Ireland).

CONTENT: with this Decision, the European Parliament and the Council have decided to mobilise the European Globalisation Adjustment Fund to provide the sum of **EUR 12 689 838** in commitment and payment appropriations in the framework of the general budget 2011.

This amount will assist Ireland in respect of redundancies in 1 482 enterprises operating in NACE Revision 2 Division 41 ('Construction of buildings') in the NUTS II regions of Border, Midlands and Western (IE01) and Southern and Eastern (IE02) in Ireland.

Given that this application complies with the requirements for determining the financial contributions as laid down in Regulation (EC) No 1927/2006 ([EGF](#)), the abovementioned amount has been granted to Ireland to meet its request.

To recall, the European Globalisation Adjustment Fund (EGF) aims to provide additional support to redundant workers who suffer from the consequences of major structural changes in world trade patterns and to assist them with their reintegration into the labour market. The Interinstitutional Agreement of 17 May 2006 on budgetary discipline allows for the mobilisation of the Fund through a flexibility mechanism, within the annual ceiling of EUR 500 million.

It should be noted that the scope of the EGF was broadened for applications submitted from 1 May 2009 to include support for workers made redundant as a direct result of the global financial and economic crisis.
