PURPOSE: Addendum to Regulation (EU) No 1007/2011 of the European Parliament and of the Council of 27 September 2011 on textile fibre names and related labelling and marking of the fibre composition of textile products and repealing Council Directive 73/44/EEC and Directives 96/73/EC and 2008/121/EC of the European Parliament and of the Council (*Regulation initially published in OJ L 272 of 18.10.2011*).

CONTENT: the correction concerns the addition of a **statement by the European Parliament and the Council** concerning Regulation (EU) No 1007/2011.

The European Parliament and the Council are mindful of the importance of providing accurate information to consumers, in particular when products are marked with an indication of origin, so as to protect them against fraudulent, inaccurate or misleading claims. **The use of new technologies**, such as electronic labelling, including radio frequency identification, may be a useful tool to provide such information while keeping pace with technical development. The European Parliament and the Council invite the Commission, when drawing up the report pursuant to Article 24 of the Regulation, to **consider their impact on possible new labelling requirements**, including with a view to improve the traceability of products.
