Groundhandling services at Union airports

2011/0397(COD) - 09/11/2012 - Committee report tabled for plenary, 1st reading/single reading

The Committee on Transport and Tourism adopted the report by Artur ZASADA (EPP, PL) on the proposal for a regulation of the European Parliament and of the Council on ground handling services at Union airports and repealing Council Directive 96/67/EC.

The committee recommends that the European Parliament **reject the Commission proposal**.
