Mobilisation of the European Globalisation Adjustment Fund: redundancies in the shipbuilding industry in Spain

2012/2160(BUD) - 25/10/2012 - Final act

PURPOSE: the mobilisation of the European Globalisation Adjustment Fund (EGF) in respect of redundancies in the shipbuilding industry in Spain.

NON-LEGISLATIVE ACT: Decision 2012/683/EU of the European Parliament and of the Council on the mobilisation of the European Globalisation Adjustment Fund, in accordance with point 28 of the Interinstitutional Agreement of 17 May 2006 between the European Parliament, the Council and the Commission on budgetary discipline and sound financial management (application EGF/2011/019/ES /Galicia Metal from Spain).

CONTENT: by this Decision, the European Parliament and the Council have decided to mobilise the amount of **EUR 2 029 235** in commitment and payment appropriations from the European Globalisation Adjustment Fund in the framework of the 2012 budget.

This amount shall assist Spain in respect of 878 redundancies in the 878 redundancies in 35 enterprises operating in the NACE Revision 2 Division 25 ('Manufacture of fabricated metal products, except machinery and equipment') in the NUTS II region of Galicia (ES11)

Given that the request for intervention from Spain fulfils the conditions laid down in accordance with Regulation (EC) No 1927/2006, the European Parliament and the Council have decided to grant the above-mentioned amount.

To recall, the European Globalisation Adjustment Fund (EGF) was established to provide additional support to redundant workers who suffer from the consequences of major structural changes in world trade patterns and to assist them with their reintegration into the labour market. The Interinstitutional Agreement of 17 May 2006 on budgetary discipline allows for the mobilisation of the European Globalisation Adjustment Fund (EGF) through a flexibility mechanism, within the annual ceiling of EUR 500 million over and above the relevant headings of the financial framework. It should also be noted that the scope of the EGF was broadened for applications submitted from 1 May 2009 to include support for workers made redundant as a direct result of the global financial and economic crisis.
