

# Macro-financial assistance to Kyrgyzstan

2011/0458(COD) - 11/12/2012 - Text adopted by Parliament, 1st reading/single reading

The European Parliament adopted by 541 votes to 42, with 74 abstentions, a legislative resolution on the proposal for a decision of the European Parliament and of the Council on providing macro-financial assistance to the Kyrgyz Republic.

The European Parliament's position adopted at first reading following the ordinary legislative procedure amends the Commission proposal as follows: part of a sentence is deleted from a recital referring to the Memorandum of Understanding laying down the economic policy conditions attached to the granting of macro-financial assistance.

In order to ensure uniform conditions of implementation and for reasons of efficiency, the Commission should be empowered to negotiate such conditions with the Kyrgyz authorities under the supervision of the Committee of the Member States foreseen by [Regulation \(EU\) No 182/2011](#).

**Parliament rejects the justification foreseen in the recital** that states “the fact that the assistance is of a limited maximum amount provides for the due justification required by the second sentence of Article 2 (3) of Regulation (EU) No 182/2011 to subject the adoption of the Memorandum of Understanding to the advisory procedure”.
