

Community system to prevent, deter and eliminate illegal, unreported and unregulated fishing: alignment of the Regulation with the TFEU (Commission delegated and implementing powers)

2012/0162(COD) - 25/04/2013 - Committee report tabled for plenary, 1st reading/single reading

The Committee on Fisheries adopted the report by Raül ROMEVA i RUEDA (Greens/EFA, ES) on the proposal for a regulation of the European Parliament and of the Council amending Council Regulation (EC) No 1005/2008 establishing a Community system to prevent, deter and eliminate illegal, unreported and unregulated fishing.

The parliamentary committee recommends that the European Parliament's position adopted at first reading according to the ordinary legislative procedure should amend the Commission's proposal.

Since it is proposed to make use of delegated acts, Members propose to **limit the delegation of power to a period of three years from the date of entry into force of the Regulation** and to oblige the Commission to present a report on its exercise in order to have a regular evaluation and questioning of the use of the delegation.
