

EC/Central Africa stepping stone Economic Partnership Agreement

2008/0139(NLE) - 03/06/2013 - Committee report tabled for plenary, 1st reading/single reading

The Committee on International Trade adopted the report by David MARTIN (S&D, UK) on the draft Council decision concluding the interim agreement with a view to an Economic Partnership Agreement between the European Community and its Member States, of the one part, and the Central Africa Party, of the other part.

Members recommend that the European Parliament should consent to the conclusion of the Agreement as this would send an important signal on the importance of the trade relationship to the Central African region as a whole.
