Tariff quotas for wine exports from Kosovo

2013/0099(COD) - 23/09/2013 - Committee report tabled for plenary, 1st reading/single reading

The Committee on International Trade adopted the report by Iuliu Winkler (EPP, RO) on the proposal for a regulation of the European Parliament and of the Council on amending Council Regulation (EC) No 1215/2009 in relation to tariff quotas for wine.

The committee recommended that the European Parliament's position adopted at first reading, following the ordinary legislative procedure, should amend the Commission proposal as follows:

Delegated acts: Members called for the power to adopt delegated acts to be conferred on the Commission for a period of five years from the date of entry into force of the proposed Regulation.

The delegation of power should be tacitly extended for periods of an identical duration, unless the European Parliament or the Council opposes such extension not later than three months before the end of each period.

The delegation of power may be revoked at any time by the European Parliament or by the Council.
