Common organisation of the markets in fishery and aquaculture products

2011/0194(COD) - 10/12/2013 - Text adopted by Parliament, 2nd reading

The European Parliament adopted, at second reading of the ordinary legislative procedure, the Council position at first reading with a view to the adoption of a regulation of the European Parliament and of the Council on the common organisation of the markets in fishery and aquaculture products, amending Council Regulations (EC) No 1184/2006 and (EC) No 1224/2009 and repealing Council Regulation (EC) No 104/2000.

Following the recommendation for a second reading by the Committee on Fisheries, Parliament approved the Council position without amendment.

Parliament also approved a **statement from the European Parliament and the Council** on control rules in the area of product traceability and consumer information. This statement invited the Commission to:

- submit to them a proposal aiming at amending the Control Regulation (Regulation (EC) No 1224 /2009). Such amendment should take into account the need for regulating the provision of gear type information as regards products derived from wild capture fisheries;
- adopt, in due time, the necessary amendments to the Commission Implementing Regulation (EU) No 404/2011 as regards the mandatory information to the consumer in order to take into account the provisions of this Regulation, the Control Regulation, as amended, and Regulation (EU) No 1169 /2011 of the European Parliament and of the Council on the provision of food information to consumers.
