

2013 discharge: European Monitoring Centre for Drugs and Drug Addiction (EMCDDA)

2014/2090(DEC) - 30/07/2014 - Non-legislative basic document

PURPOSE: presentation by the Commission of the consolidated annual accounts of the European Union for the financial year 2013 as part of the 2013 discharge procedure.

Analysis of the accounts of the **European Monitoring Centre for Drugs and Drug Addiction (EMCDDA)**.

CONTENT: this Commission document sets out the consolidated annual accounts of the European Union for the financial year 2013 as prepared on the basis of the information presented by the institutions, organisations and bodies of the EU, in accordance with Article 129 (2) of the Financial Regulation applicable to the EU's General Budget, including the European Monitoring Centre for Drugs and Drug Addiction (EMCDDA).

The document contains the figures on which the discharge procedure is based.

Discharge procedure of the EU agencies: the EU Budget finances a wide range of policies and programmes throughout the EU. In accordance with the priorities set by the European Parliament and the Council in the multi-annual financial framework (MFF), the European Commission carries out specific programmes, activities and projects in the field with the technical support of some specialised agencies.

The consolidated annual accounts of the EU provide information on the activities of the institutions, agencies and other bodies of the EU from a budgetary and accrual accounting perspective.

The consolidated reports on the implementation of the general budget of the EU include the budget implementation of all Institutions. **Agencies do not have a separate budget inside the EU budget;** and they are partially financed by a Commission budget subsidy.

Each agency is subject to its own discharge procedure.

EMCDDA: in 2013, the tasks and budget of this agency were as follows:

- **description of the Centre's tasks:** the European Monitoring Centre for Drugs and Drug Addiction, which is located in Lisbon, was established by [Council Regulation \(EEC\) No 302/93](#) and its main task is to collect data on drugs and drug addiction in order to prepare and publish information at European level that is objective, reliable and comparable. The Monitoring Centre is to focus on the following priority areas: (i) monitoring the state of the drugs problem, and emerging trends, in particular those involving multi-drug use; (ii) monitoring the solutions and providing information on best practices;
- **the Centre's budget for the financial year 2013:** the Centre's budget for 2013, as presented in the Commission document on the consolidated annual accounts of the European Union, gives the following figures:
