Amending budget 3/2014: own resources; revenue; administration

2014/2053(BUD) - 16/10/2014 - Document attached to the procedure

On 9 July 2014, the Commission adopted Draft Amending Budget (DAB) 4/2014 (please refer to the summary of the draft budget of 9 July 2014).

This DAB primarily concerned an update in the forecast of revenue, including the budgeting of a **series of fines**, which had become definitive.

During the period since the adoption of the DAB 4/2014, further fines amounting to **EUR 299 million** have become definitive, and additional interest of **EUR 75 million** may now also be budgeted, giving total additional revenue of **EUR 374 million**.

Taking into account the amounts already included in DAB 3 and 4/2014, the total additional revenues from fines and interests amount to **EUR 3 850 million**.
