Tariff quotas for high quality beef, and for pigmeat, poultrymeat, wheat and meslin, and brans, sharps and other residues. Codification

2014/0276(COD) - 05/12/2014 - Committee report tabled for plenary, 1st reading/single reading

The Committee on Legal Affairs adopted the report by Andrzej DUDA (ECR, PL) on the proposal for a regulation of the European Parliament and of the Council opening and providing for the administration of certain Union tariff quotas for high-quality beef, and for pigmeat, poultrymeat, wheat and meslin, and brans, sharps and other residues (codified text).

The committee recommended that Parliament adopt its position in first reading, taking over the Commission proposal as adapted to the recommendations of the Consultative Working Party of the legal services of the European Parliament, the Council and the Commission.

The Consultative Working Party expressed the view that the proposal in question contains a straightforward codification of the existing texts without any change in their substance.
