Scientific examination of questions relating to food: repealing obsolete Directive

2014/0132(COD) - 09/12/2014 - Committee report tabled for plenary, 1st reading/single reading

The Committee on the Environment, Public Health and Food Safety adopted the report by Giovanni LA VIA (EPP, IT) on the proposal for a directive of the European Parliament and of the Council repealing Council Directive 93/5/EEC of 25 February 1993 on assistance to the Commission and cooperation by the Member States in the scientific examination of questions relating to food.

It recommended the European Parliament to adopt its position at first reading taking over the Commission proposal.
