EC/Albania Stabilisation and Association Agreement: application. Codification

2014/0191(COD) - 10/03/2015 - Committee report tabled for plenary, 1st reading/single reading

The Committee on Legal Affairs adopted the report of Andrzej DUDA (ECR, PL) on the proposal for a regulation of the European Parliament and of the Council on certain procedures for applying the Stabilisation and Association Agreement between the European Communities and their Member States, of the one part, and the Republic of Albania, of the other part (codified text).

The parliamentary committee recommended that the European Parliament adopts its position at first reading, **taking over the Commission proposal** as adapted to the recommendations of the Consultative Working Party of the legal services of the European Parliament, the Council and the Commission.

The Consultative Working Party concluded that the proposal is a straightforward codification of existing texts, without any change in their substance.
